### SECTION 7: ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT

The Allotment of Equity Shares to Applicants other than Retail Individual Investors may be on proportionate basis. No Retail Individual Investor will be allotted less than the minimum Lot subject to availability of shares in Retail Individual Investor Category and the remaining available shares, if any will be Allotted on a proportionate basis. This Issue is not restricted to any minimum subscription level. This Issue is 100% underwritten.

### 7.1 ALLOTMENT TO RIIS

If the aggregate demand in RII category is less than or equal to the Retail Category at or above the Issue Price, full Allotment may be made to the RIIs to the extent of the valid applications. If the aggregate demand in this category is greater than the allocation in the Retail Category at or above the Issue Price, then the maximum number of RIIs who can be Allotted the minimum Lot will be computed by dividing the total number of Equity Shares available for Allotment to RIIs by the minimum Lot ("Maximum RII Allottees"). The Allotment to the RIIs will then be made in the following manner:

- 1. In the event the number of RIIs who have submitted valid applications in the Issue is equal to or less than Maximum RII Allottees; (i) all such RIIs shall be Allotted the minimum Lot; and (ii) the balance available Equity Shares, if any, remaining in the Retail Category shall be Allotted on a proportionate basis to the RIIs who have received Allotment as per (i) above for the balance demand of the Equity Shares applied by them (i.e., who have applied for more than the minimum Lot).
- 2. In the event the number of RIIs who have submitted valid applications in the Issue is more than Maximum RII Allottees, the RIIs (in that category) who will then be Allotted minimum Lot shall be determined on the basis of draw of lots.

### 7.2 Allotment to Other Investors

Applications received from NIIs and QIBs at or above the Issue Price may be grouped together to determine the total demand under this category. The Allotment to all successful NIIs and QIBs may be made at the Issue Price. If the aggregate demand in this category is less than or equal to the non-institutional category at the Issue Price, full Allotment may be made to NIIs and QIBs to the extent of their demand. In case the aggregate demand in this category is greater than the Non-Institutional Category at the Issue Price, Allotment may be made on a proportionate basis up to a minimum of the Non-Institutional Category.

### 7.3 Basis of Allotment

Allotment will be made in consultation with EMERGE Platform of National Stock Exchange of India Limited (The Designated Stock Exchange). In the event of oversubscription, the allotment will be made on a proportionate basis in marketable lots as set forth here:

- (a) The total number of Shares to be allocated to each category as a whole shall be arrived at on a proportionate basis i.e., the total number of Shares applied for in that category multiplied by the inverse of the over subscription ratio (number of applicants in the category x number of Shares applied for).
- (b) The number of Shares to be allocated to the successful applicants will be arrived at on a proportionate basis in marketable lots (i.e., Total number of Shares applied for into the inverse of the over subscription ratio).
- (c) For applications where the proportionate allotment works out to less than 1,200 Equity Shares the allotment will be made as follows:
- (d) Each successful applicant shall be allotted 1,200 Equity Shares;
- (e) The successful applicants out of the total applicants for that category shall be determined by the withdrawal of lots in such a manner that the total number of Shares allotted in that category is equal to the number of Shares worked out.
- (f) If the proportionate allotment to an applicant works out to a number that is not a multiple of 1,200 Equity Shares, the applicant would be allotted Shares by rounding off to the lower nearest multiple of 1,200 Equity Shares subject to a minimum allotment of 1,200 Equity Shares.
- (g) If the Shares allotted on a proportionate basis to any category is more than the Shares allotted to the applicants in that category, the balance available Shares for allocation shall be first adjusted against any category, where the allotted Shares are not sufficient for proportionate allotment to the successful applicants in that category, the balance Shares, if any, remaining after such adjustment will be added to the category comprising of applicants applying for the minimum number of Shares. If as a result of the process of rounding off to the lower nearest multiple of 1,200 Equity Shares, results in the actual allotment being higher than the shares issued, the final allotment may be higher at the sole discretion of the Board of Directors, up to 110% of the size of the issue specified under the Capital Structure mentioned in the Prospectus.
- (h) The above proportionate allotment of shares in an Issue that is oversubscribed shall be subject to the reservation for Retail Individual applicants as described below:
  - (i) As per Regulation 253 of the SEBI (ICDR) Regulations, as the Retail Individual Investor category is entitled to more than allocated portion on proportionate basis, the retail individual investors shall be allocated that higher percentage.

(j) Remaining to Individual applicants other than retail individual investors and other investors including corporate bodies or institutions, irrespective of the number of specified securities applied for; The unsubscribed portion in either of the categories specified in (a) or (b) above may be available for allocation to the applicants in the other category, if so required.

If the retail individual investor category is entitled to more than allocated portion on proportionate basis, accordingly the retail individual investors shall be allocated that higher percentage.
